

Overview

In order to meet the challenge of overcoming traditional barriers to continuing education, CRANAplus has recognised the need for health professionals to access innovative educational delivery methods. The eRemote platform assists in maintaining lifelong learning in health with its diversity and pressure on resourcing in remote and rural practice.

For more information about education services go to www.crana.org.au and click on *Education*.

Username

Password

You can also login to eRemote Learning from the CRANAplus website.

Username

Your Username will be your email address.

Password

The password for the first login will be provided to you by email, but you will be required to select your own after your first login. Your password will need to have at least one number in it and be at least 6 characters long (for example *abcde1*). It will also be cAsE sensitive (not *Abcde1*).

Changing your Profile

After login, you can change your profile.

To change your profile, click on My Profile Settings on the lower part of the left column.

On this screen you can change your password.

Forgot password

If you forget the password, or get it wrong, you can click **Forgotten your username or password?** A new, temporary password will be sent.

For security reasons it is a 2-step email process:

1. In the FIRST email, click on the link to accept password change
2. The SECOND email has your password (for example **3pWrd-**)

NOTE: Avoid miss-typing by using **copy-paste**

After you login, reset your password (see Changing your Profile)
